The recent recognition of the bodies of work of French sculptress Camille Claudel, of French painter Séraphine de Senlis, and of Swiss-born Aloïse Corbaz, are testimonies of a drastic evolution in the way we view women's contributions to art history and culture in France. Furthermore, the new interest for and legitimization of psychiatric art and Art brut (Outsider Art) have created interesting links between mental health and imagination and developed art therapy. Thus, not only has the social gaze drastically changed its judgment of women, but the borders between madness and reason, "Art brut" and "official Art" now seem closer to each other. Visit the world's largest collection of Art Brut (Outsider Art). Question your views of art, your judgement on mental health and intricate artists' personalities, in particular that of Aloïse Corbaz.

When a student registers online for a study trip, the cost of the trip is automatically billed to the student's account in the same way tuition is billed. See Student Accounting Services for details about the student account and related charges. **Payment for study trips must be made no later than September 20, 2019. Student Accounting Services reserves the right to block transcripts & registration because of outstanding balances due to study trips.** Payment can be made the same way as for tuition: Online by credit card on my.aup.edu/payment/tuition, via bank transfer, or in person with cash/cheque.

IMPORTANT: All outstanding balances to the University result in blocked transcripts. There are NO exceptions for Cultural Program activities and study trips.

CANCELLATION

IMPORTANT: The last day to cancel and remove the charge of the study trip from the student's ledger is the last day of DROP/ADD. A student who has not dropped the study trip in the online registration portal by the last day of DROP/ADD is considered to be registered and will be held responsible for the entire cost of the trip. **For the Fall 2019 semester, this is midnight September 8, 2019.**

If registered in a study trip after DROP/ADD, the student will be charged for the entirety of the trip even if he/she does not attend the trip or withdraws from a course with a study trip. Some exceptions may apply in extraordinary circumstances. The cancellation deadline is extended for eligible students pending their Coup de Pouce award notifications. See the Cultural Program Coordinator

PRIORITY FOR PARTICIPATION

Students registered in the corresponding course(s) of a study trip are given priority for participation on study trips. In the event of enrollment exceeding number of spots pre booked, the CP Coordinator does her best to add extra spots to the trip. Please note, however, that sometimes this is not possible due to outside restraints (flights, hotels, etc.). In this case, students registered in the corresponding course(s) will be given priority and those who are dropped from the trip are not responsible for the cost of the trip. In the event of there not being enough spots for everyone from the course(s), the date & time of registration will be taken into consideration.

OUTSIDE PARTICIPANTS

Individuals who are not current AUP students but who would like to participate in a study trip or activity must make a request directly to the Cultural Program Coordinator no later than the study trip registration period of DROP/ ADD. Participation is subject to availability. Unless otherwise agreed and established, outside participants pay the same fee as AUP participants. Payment for the Cultural Program activity is the only way to guarantee an outside individual's participation in the study trip.

EXCUSED ABSENCES

Students who are registered in a class corresponding to a study trip are excused by Academic Affairs from attending their other classes during the dates of the study trip if they are attending the trip. If the time of departure or arrival

allows a student to attend class before leaving or after returning from a study trip, the student may be expected to do so and must be in contact with their professor to make sure this is clear for both the professor and the student.

Students who are registered in a study trip but who are not registered in the corresponding class are NOT officially excused from their classes by Academic Affairs. Students are advised to contact their professors before registering for a trip to see if their professor can permit their absence. The Cultural Program cannot issue refunds for trips in the event that a student decides to cancel after the DROP/ADD deadline for the reason that their professor cannot excuse their absence from class.

Cultural program absences are not excused for graduate-level modules, even if the student is enrolled in a corresponding class. It is the responsibility of the student to make sure that his or her registration

does not have any study trips and modules that overlap. Students with a conflict must adjust their schedule accordingly before the end of the DROP/ADD period. Students who have an overlap after DROP/ADD must withdraw from the module or cancel the study trip. Students who choose to withdraw from the module will have a W on their transcript. Academic Affairs and Student Development cannot reimburse for the course tuition or study trip fee.

ACCOMMODATION, TRANSPORTATION & SPECIAL ARRANGEMENT REQUESTS

In most cases, students share accommodation in sets of twin, triple, and quad (or more in specific circumstances), depending on the establishment and trip budget. Students are notified of the accommodations reserved in the itinerary sent by the CP Coordinator

a week before the trip and may submit rooming requests. In most cases, transportation is reserved in advance by the CP Coordinator in order to secure the best possible times according to the professor's schedule and obtain the best possible prices. Students wishing to arrange their own lodging or transportation or have specific requests must make this clear upon registering for a trip by contacting the Cultural Program Coordinator and submitting the request in writing via email. Special arrangements pend approval by the Cultural Program Coordinator and in certain cases, the accompanying professor. The Cultural Program will do its best to accommodate special requests, but please note that these may not always be possible because of trip specifics, reservation, and/or budget restraints. In all cases, students will be charged for group and professor-related fees. Any extra cost associated with a special arrangement is the responsibility of the student.

CULTURAL EXCURSIONS,

ACTIVITIES & TICKETS

Sign-up for Cultural Excursions, Activities, and Tickets is done through the Cultural Program website or the student portal. In order to sign up, the student must pay the full amount of the excursion or ticket on the corresponding page.

Once payment is made, no cancellations or refunds are possible. A student may sell their ticket or seat to someone else and the Cultural Program office will do its best to help the student find a buyer; however, the financial transaction is solely the student's responsibility.

CARTE DE SÉJOUR

Any student who registers for a cultural excursion or study trip that involves travel outside of France and who does not have the proper documents to travel at the date

of the study trip, or who does not correctly fulfill the Carte de Séjour requirements by providing the necessary documents to the Student Immigration Services Office at the start of the semester and is, therefore, unable to travel, will be held responsible for the cost of the trip. No exceptions to this rule. See the Student Immigration Services Office if you are not sure that you have the proper documents to travel and notify the Cultural Program Office upon registration.

VISAS

Students are responsible for knowing the visa requirements for their nationality for travel outside of France. If a visa is required, the Cultural Program Office can provide a letter that attests to the student participating on a university sponsored tourism trip. This can be taken to the embassy or consulate of the relevant

country as part of the application to obtain a visa. It is highly advised, once registered for a trip, to contact the relevant embassy or consulate as soon as possible to confirm the visa requirements, and the cost and time needed to deliver the visa. Any student who is unable to participate in a trip because of failure to complete visa arrangements will be held responsible for the cost of the trip.

CONDUCT

As a participant in a travel sponsored by AUP, you will be asked to sign a Travel Code of Conduct & Responsibilities document before the trip. If you fail to abide by the AUP Travel Code of Conduct & Responsibilities and/or the AUP Policy on Student Conduct, you may be subject to disciplinary action, which could include (but is not limited to) referral to the

Deans, academic sanctions, and expulsion from the University. In situations where AUP deems your violation egregious, the program director/faculty member may send you back to Paris immediately. You will bear responsibility for all related costs, including, but not limited to, the cost of transportation to and from the airport as well as airline fees associated with flight changes.
