

THE AMERICAN UNIVERSITY OF PARIS

# ORIENTATION GUIDE

UNDERGRADUATE - FALL 2018

## ORIENTATION EVENTS

Welcome to Paris and your new life as an AUP student! This guide is designed to walk you through your orientation experience.

### WELCOME SESSION

AUP staff meet and greet you and your fellow students at the *Maison de la Chimie (MdC)*, just next door to campus. You will learn about the exciting week ahead of you and receive your enrollment and registration appointment for check-in, which happens the following day.

### YOUR STUDENT ADVISOR

All incoming students are assigned a student advisor. Student advisors not only accompany you and other members of your incoming group

to various orientation events but also provide support throughout the semester. Think of these students—who know their way around Paris and AUP – as a resource and get to know them at your first social event the day of check-in.

### AUP CHECK-IN AND SERVICES

An AUP Admissions Counselor is on hand at *Maison de la Chimie* to officially check you in. Arrive at your assigned time to review your pre-arrival checklist. We'll refer you to all the right AUP offices as necessary, including Student Accounting Services, the Registrar's office, Student Immigration Services and other services. Once check-in is complete, you will receive your student photo ID.

### EVENING EVENTS

Following welcome activities at *Maison de la Chimie* the first day of Orientation, undergraduate students attend an early evening cocktail on campus. On Thursday, enjoy a night out on a *Bateau Mouche* as it cruises on one of the most scenic avenues of Paris, the Seine. On Friday, attend a Boat party and enjoy your first dinner on the Parisian river.

### ENGLISH PLACEMENT TESTS

Following Orientation check-in, entering students will take an English Placement test. Students already pre-placed in an English level based on American standardized test scores will see this on their registration status at check-in and will be exempt from taking the test.

### LIVING IN PARIS

This critical session focuses on the essentials of living in Paris. We provide tips on banking, phone plans, IT services and health coverage while also reviewing the many AUP services and resources available to you at AUP.

### PARENT ORIENTATION

AUP invites parents and family members of incoming students to join us for Parent Orientation. This session gives parents the opportunity to engage AUP leadership, to learn about the opportunities and resources available to their students and to become better acquainted with the student experience. Find out more on pages 9-12.

## ORIENTATION EVENTS

### ACADEMIC ORIENTATION

(Your AUP Degree/Core Capabilities/ The Culture of AUP)  
What does it mean for me to be a student at an international liberal arts university? How can I get the most out of my AUP education? How can I make the best choices for my degree and for my future? Talk through some of the big questions and get some tips on developing strategies for success.

### CAMPUS TOUR & METRO

Join an AUP staff member or student advisor for this comprehensive tour of AUP's campus, and learn how to get your public transportation pass. Review prices, forms and the process

to register for yearly travel passes for the Paris Metro, buses, and RER. One semester students learn how to obtain a rechargeable travel pass for unlimited travel during their stay.

### DISCOVER PARIS TOURS

With AUP's campus located in the heart of the seventh *arrondissement*, finding your way around this neighborhood quickly becomes second nature. With your student advisor, you will venture beyond this part of Paris to discover another side of the City of Light and get a better sense of what it means to be Parisian.

### SAFETY: PARIS AND BEYOND

AUP takes the safety of its

community and visitors very seriously. As with any university campus, especially in a large city, you must understand your role in maintaining your own safety. You will learn how to be appropriately aware of your surroundings and stay safe as you travel around Paris, as well as to other cities and countries while you are at AUP. AUP also makes the International SOS Assistance APP available to you for your security and safety in Paris and while you travel.

### PICNIC AT CHAMP DE MARS

Enjoy a picnic with your fellow students and student advisor on the *Champ de Mars*, right at the foot of the Eiffel Tower. French bread,

cheese (or something else) and a beautiful view...yes, you ARE in Paris!

### WELCOME FAIR

Gain hands-on experience and simply have fun by participating in one or more of the many extra-curricular and co-curricular activities which are an integral part of the total AUP experience. Talk with student leaders and AUP staff at the fair about your interests and get involved in student government, student media, clubs, sports and/or volunteer work – or start your own activity! Students who want to join competitive sports teams or sign up for a gym membership should not miss the Welcome Fair!

## INTERNATIONAL SOS PHONE APP:

The SOS Assistance APP will provide you with one-click dialing to the closest SOS Centre and up-to-date medical and security information on your phone.

# ORIENTATION EVENTS

## OPEN MIC

AUP has talent. Each semester students get up on stage to sing, play music, dance, tell jokes and show off their talents in other ways. This is a great way to get to know people in your incoming class and to start the year on a positive, energetic note. Open Mic Nights are organized throughout the semester—come get your first taste of an AUP tradition on Saturday!

## STUDENT RESOURCE CENTER

The Student Resource Center is open the entire week of Orientation. Staff at the center are on hand to answer questions and resolve problems, referring you to the right AUP resources as needed. Note that the center opens at Maison de La Chimie Tuesday, September 4 and

moves to the Combes building on campus on Friday, September 7.

## LIBRARY: KNOW YOUR TOOLS

In a world of e-books and Google search, learn how essential the AUP library and its collections and services will be to your academic success at AUP. Bring your smart phone – enter the library photo-contest and win a prize.

## HOUSING

Learn everything you need to know about managing apartment life, from dealing with appliances and plumbing gone awry to neighbor and roommate relations. If you are housed by AUP, this session is mandatory.

## CONTACT INFORMATION

You may not always be sure of who to contact when faced with a specific concern or question. The list below identifies offices that can help with various issues.
