

THE AMERICAN UNIVERSITY OF PARIS

ORIENTATION GUIDE

UNDERGRADUATE - SPRING 2019

ORIENTATION EVENTS

Welcome to Paris and your new life as an AUP student! This guide is designed to walk you through your orientation experience.

YOUR STUDENT ADVISOR

All incoming students are assigned a student advisor. Student advisors not only accompany you and other members of your incoming group to various orientation events, but also provide support throughout the semester. Think of these students – who know their way around Paris and AUP—as a resource and get to know them at the welcome session.

AUP CHECK-IN AND SERVICES

An AUP Admissions Counselor is on hand on campus to officially check you in. Arrive at your assigned time to review your pre-arrival checklist. We

refer you to all the right AUP offices as necessary, including Student Accounting Services, the Registrar's Office, Academic Advising, Student Immigration Services and other services. Once check-in is complete you will receive your student photo ID.

EVENING EVENTS

Following the welcome activities on the first day of orientation, undergraduate students attend an early evening cocktail on campus. On Wednesday night, let your student advisor take you to their favorite Parisian restaurant. On Thursday, enjoy a night out on a *Bateau Mouche* as it cruises on one of the most scenic avenues of Paris, the Seine. On Friday night, attend open mic and share your talents with your fellow students.

ENGLISH PLACEMENT TEST

Following orientation check-in, entering students take an English placement test. Students already pre-placed in an English level, based on American standardized test scores, will see this on their registration status at check-in and are exempt from taking the test.

MATH PLACEMENT TEST

Following orientation check-in, all degree-seeking students take a math test focusing on quantitative reasoning. This test determines whether or not a student is required to take a general education math course. Note: some majors require MA 1020 Applied Statistics or MA 1030 Calculus. Alternate online testing is available when needed to allow direct entry to these courses.

More information available at the Student Resource Center or the Advising Center.

SAFETY: PARIS AND BEYOND

AUP takes the safety of its community and visitors very seriously. As with any university campus, especially in a large city, you must understand your role in ensuring your safety. In this session, you learn how to be aware of your surroundings and stay safe as you travel around Paris, as well as to other cities and countries while you are at AUP. AUP also makes the International SOS Assistance APP available to you for your security and safe travels.

ORIENTATION EVENTS

LIVING IN PARIS

This critical session is scheduled the same day as check-in and focuses on the essentials of living in Paris. We provide tips on banking, phone plans and health coverage, while also reviewing the many services and resources available to you at AUP.

ACADEMIC ORIENTATION

(Your AUP Degree/Core Capabilities/ The Culture of AUP)
What does it mean for you to be a student at an international liberal arts university? How can you get the most out of your AUP education? How can you make the best choices for your degree and for your future?

Talk through some of the big questions and get tips on developing strategies for success.

DISCOVER PARIS TOURS

With AUP's campus located in the heart of the seventh *arrondissement*, finding your way around this neighborhood will quickly become second nature to you. With your student advisor, you venture beyond this part of Paris to discover another side of the City of Light and get a better sense of what it means to be a Parisian.

CAMPUS TOUR & METRO

Join an AUP staff member or student

advisor for this comprehensive tour of AUP's campus, and learn how to get your public transportation pass. Review prices, forms and the process to register for a yearly travel pass for the Paris metro, buses and RER. One-semester students learn how to obtain a rechargeable travel pass for unlimited travel during their stay.

CONSENT: DEFINING OUR SOCIAL CULTURE

Defining a culture of respect, building a safe community and raising awareness of sexual assault and harassment issues through this consent education workshop led by AUP students and staff.

LUNCH IN THE AMEX CAFÉ

Enjoy lunch with your fellow students and your student advisor in the AMEX Café, right on campus in the Combes building.

INTERNATIONAL SOS PHONE APP:

The SOS Assistance APP provides you with one-click dialing to the closest SOS Centre and up-to-date medical and security information on your phone.

ORIENTATION EVENTS

WELCOME FAIR

Gain hands-on experience and have fun by participating in one or more of the many extra-curricular and co-curricular activities, which are an integral part of the total AUP experience. Talk with student leaders and AUP staff at the fair about your interests and get involved in student government, student media, clubs, sports and/or volunteer work – or start your own activity! Students who want to join competitive sports teams or sign up for a gym membership should not miss the Welcome Fair!

OPEN MIC

AUP has talent. Each semester new students get up on stage to sing, play music, dance, tell jokes and show off their talents in other ways. This is a great way to get to know people in your incoming class and to start the year on a positive, energetic note. Open Mics are organized throughout the semester – come get your first taste of an AUP tradition on Friday night!

STUDENT RESOURCE CENTER

The Student Resource Center is open during the entire week of orientation. Staff at the center are on hand to answer questions and resolve problems, referring you to the right AUP resources as needed. Note that the center opens on January 15 in the Combes building.

LIBRARY: KNOW YOUR TOOLS

In a world of e-books and Google search, learn how essential the AUP library and its collections and services will be to your academic success at AUP. Bring your smart phone – enter the library photo-contest and win a prize.

HOUSING INFO

Learn everything you need to know about managing apartment life, from dealing with appliances and plumbing gone awry to neighbor and roommate relations. If you are housed by AUP, this session is mandatory.
